Asbestos

On March 2, 2023 Entek conducted a survey specific to areas designated by the Owner's representative which included roofing materials as designated by red outlines in the following drawing.

The results of testing for asbestos during this survey indicate asbestos is not present in any of the sampled p to

AD1.03

Introduction

T

Suspect Materials Found NOT TO Contain Asbestos or Considered Non-Suspect				
Sample ID#'s	Suspect Material	EPA AHERA "Suspected" ACBM	Asbestos Content	Location
08A-B	White Roof Jack Mastic, Black			

AD1.03

Materials commonly excluded from being suspected for containing asbestos include, but are not limited to: unwrapped pink and yellow fiberglass insulating materials or products, foam insulation, bare concrete, wood, metal, plastic, or glass. All other types of building materials or coatings on the materials listed above are commonly listed as “suspect” and must be tested prior to impact by a Contractor. Work impacting these untested or newly discovered materials must cease until an investigation can be completed.

Asbestos Regulatory Requirement mw

BULK ASSESSMENTS AND THE 2014 Analysis Request

On 2/11/14, the Commission received a request from the City of San Francisco for a bulk assessment of the city's property tax rolls. The request was for a bulk assessment of the city's property tax rolls for the year 2014. The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Background: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Request for Bulk Assessment: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Process: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Timeline: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Costs: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Other Information: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Conclusion: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Next Steps: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Comments: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Appendix: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Signatures: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.

Final Remarks: The Commission has the honor to acknowledge the request and to provide the following information regarding the process of bulk assessments.
