Project: Sacramento City USD - High Schools Door Hardware & Installation

Dear Mr. Horez,

As requested, we are submitting this proposal to provide and install classroom functionality locks, storeroom functionality locks, associated cylinders and housings and door doses.

KU Technologies, Inc will provide and install the door hardware detailed within this proposal at the schools detailed within this proposal and will test for proper operational functionality. Additionally, using the Betco Qat Stat 5 disinfectant, we will sanitize all surfaces that our team touches while performing the hardware installation.

Scope of Work

KU Technologies will provide and install the following classroom and storeroom locksets (including housing and cylinders), and door doses.
