\_\_\_\_\_ Academic Office

\_\_\_\_\_ Approve the removal and disposal of out of adoption K-5 Science materials.

\_\_\_\_\_ The Board recently approved the adoption of NGSS-aligned K-5 Science instructional materials (Amplify Science) on March 17, 2022. Previous K-5 materials that are still at sites and stored at Library and Textbook Services are outdated and do not fulfill the necessary requirements for meeting the Next Generation Science Standards (NGSS). Per Board Policy 3270 and Education Code 60510, "surplus or undistributed obsolete instructional materials that are usable for educational purposes may be donated." If materials are unusable, BP 3270 and Education Code 60530 states that "surplus or undistributed obsolete instructional materials which are unusable or which cannot be distributed as specified above may be disposed

## School Buses

Upon receiving a state apportionment for the replacement of a school bus, the Board may sell the bus that is being replaced to another California school district if the following conditions are met: (Education Code 42303)

1. The other district is replacing a bus that is in service and has not been designated a temporary school bus pursuant to Education Code 42291.5.
  2. The bus being replaced by the other district is older than the bus that is being sold by this district.
  3. The bus being replaced by the other district is not sold to a third school district.
  4. The other district, by Board resolution, holds the state and this district harmless for any liability that may result from the bus that this district is selling.
  5. The proceeds from the sale of the bus shall be used by this district for home-to-school transportation purposes.
  6. Before the sale is finalized, the bus being sold is in compliance with all relevant provisions of the Vehicle Code and the California Code of Regulations, Title 13.
