Recommendation: The Board of Education is requested to approve new instructional materials for Waldorf schools AM Winn and Alice Birney.

<u>Background/Rationale</u>: The instructional materials used by Waldorf schools AM Winn and Alice Birney was recently updated on August 16, 2018. However, some of the materials adopted are no longer available from publishers, and these items need to be removed from the list.

Beginning in Spring 2018, teachers from both schools have been engaged in meetings to determine the best materials to adopt. As a result of these meetings, the recommendations on the Waldorf Curriculum List for August 16, 2018 were made. Through engagement with both schools, the list has now been adjusted to include only currently available materials.
