He asked if something else had to happen after the completion date before it comes to the Board. Mr. Dobson replied that there is always paperwork to do at the end of the project. The Notice of Completion is filed with the Court Reporter's Office. That allows any supplier or contractor who was part of that project to make a claim if they were not paid, and this starts the clock ticking. After 30 days of the Board approving the Notice of Completion then the department can make the final payment on the project.

10.3 Superintendent’s Report (José L. Banda)

Information

Superintendent Banda reported on the Sacramento Educational Cable Consortium (SECC). The SECC has helped the District with career and college readiness programs and with community engagement efforts. They have also worked with several schools to help them establish digital media programs for students by providing grant money and mentors. For example, Fern Bacon Middle School has a \$30,000 state of the art broadcast studio thanks to SECC. SECC also holds an Oscars-like ceremony for students every year where student videos are played on a big screen in a Sacramento State ballroom. SECC has also produced professional quality videos in English, Spanish, and Hmong for the District at no cost. The videos are shown on Comcast Channel 15 and 16 and given to us for our use. Superintendent Banda showed two of these videos. The first one has been used to help the community get to know him and the District. The other one was a promotional piece the District made with producer Doug Niva. Mr. Niva spent two days shooting video at John F. Kennedy, McClatchy, and Health Professions High Schools as well as Fern Bacon Middle School, Alice Birney K-8 School, and O. W. Erlewine, Tahoe, and Camellia Elementary Schools. The video has been used on our website and in our e-newsletter to highlight Open Enrollment. The Spanish version was shown. Mr. Banda commented that the videos are high quality, and we are grateful to SECC for their partnership.

summary for the public and the Board on the distinction between the LCAP and the budget.

Member Rodriguez then asked the Superintendent to identify the person who helped out with the Steps to College fair at the Mexican Consulate. Superintendent Banda said it is Jesus Limon. He works in the after school program of Youth Development, and he did a wonderful job helping to coordinate and also of reaching out to all the schools to make sure they actively recruited students for the event. The Superintendent was told that there was at least a 500% improvement in attendance and that Mr. Limon deserved a lot of credit for that. He was also there the whole day to make sure students could access all the different booths and information.

Member Ryan recognized having the opportunity to march with her family in the MLK 365 March for the Dream. She also had an opportunity to participate in Career Day at Pacific Elementary and felt it was the most well orchestrated in which she has ever participated. She gave a shout of recognition to Principal Shana Henry who did a great job reflecting the diversity of the community and a diverse range of career options. She also toured and presented at New Technology High School. There she had a conversation with Seniors about what it means to give yourself to public service. Also, last Friday was the launch of the No One Eats Alone initiative that was passed with fellow Board member support at the last Board meeting. Member Ryan reported that she received an outpouring of support from constituents and families. She also had many young people share with her how they were grappling with social isolation themselves. She had a chance to help launch the program at Father Keith B. Kenny K-8 School. Principal Gail Johnson did a great job; every Sixth, Seventh, and Eighth grader participated. They took it a step further and had No One Eats Alone day on February 13th also be a Spread the Love campaign about inclusivity and kindness to our peers. Member Ryan then announced that she will participate with The Black Parallel School Board at a community read-in that will take place at Underground Books next week. In addition she and her family will be at Saturday's African American Young Male Conference.

Second Vice President Hansen thanked President Woo for joining him at the C. K. McClatchy High School gym rededication a couple of weeks ago. It was a wonderful way to show the public what a great job the District did in renewing the gymnasium. There was coverage by a couple of T.V. stations and newspapers, and Member Hansen thanked Gabe Ross for getting the word out. Member Hansen also announced that next Friday he will be doing a tour of the whole Old Marshall facility with Member Cochrane. They are keen on trying to make use of District facilities, and he appreciates the help of Jim Dobson and the Facilities staff in setting up this tour. He also hopes that we can keep moving along on the Washington Elementary School site. He is hosting a community meeting with City Councilmember Steve Hansen on March 12th at 6:30 p.m. at the Washington Elementary School site. They have been meeting with SCTA, and he appreciates Nikki Milevsky and others from SCTA to help facilitate those meetings. The March 12th meeting will give the community an opportunity to let the District know what will be the best draw of students and families. Lastly Member Hansen reported that he had an opportunity today to help the District and partner with a lot of folks by meeting in the Governor's office to hopefully resolve a long delayed payment of Federal funds for reimbursement to the District. The District is owed almost four million dollars in delinquent funds for our Medicare/Medi-Cal matching money. He

promoting a school environment that helps students' success, but it is not a condition of enrollment or re-enrollment. Member Ryan also quoted part of an e-mail that was sent to her by Terrence Gladney which pointed out that the main priority is student success, whatever school they attend.

Member Arroyo said that he had an opportunity to visit the campus of Oak Park Preparatory Academy, and he saw a lot of learning and teachers engaged with their students. He did have issues with the school when it was first proposed, but he is considering the reapproval on the merits today. He will be voting for and supporting renewal. He said they are doing a great job by the students that are there and thanked the school for the work they are doing for the community.

can have a soft landing next year like the rest of our schools did. Member Rodriguez asked if there was conversation about this when the schools came in this year during one stop staffing to develop their budgets for

11.3 Monthly Facilities Update (Jim Dobson)

Information

Jim Dobson, Director of Facilities Management and Operations, presented the monthly Facilities update which highlighted the District's continuing support of Project Green school teams and the Project Green program. Eighteen school with before and after pictures of their projects were included in the presentation.

Public Comment:
Loretta Murray

Executive Summary is actually a variety of funding. Out of the general fund, about \$400,000 has historically been paid for various Arts programs and/or staffing which has been somewhat spread out. For example, the Middle School Music teachers are partially funded out of general fund and partially out of Title I funds. Also included are things like running of the Music Library and the initiatives mentioned such as The Overture and Any Given Child. There is also a small grant that is used primarily for professional learning or release time for teachers. Member Rodriguez asked if we are hoping to integrate the Arts throughout the curriculum at every school site and in every classroom. Dr. Taylor answered that what was spoken about is three different types of Arts programming. Curricular Arts are courses primarily at Middle and High School level and Arts Integration is where students are learning the Arts but also learning content area. It is the Arts Integration that is being spoken of; it is a powerful instructional approach. Member Rodriguez asked if Dr. Taylor has been to St. Patrick's Academy as they are fully doing Arts integration from Kindergarten through Eighth grade. Member Rodriguez said they have videos on their website and encouraged Dr. Taylor to take a look at that and visit their site as well. Member Rodriguez also thanked Darlene Anderson for mentioning the Sojourner Truth Museum. Shonna McDaniels has attempted to engage the District to move the museum to the Florin Tech site which Member Rodriguez feels would be a good partnership as she serves many schools in the area.

Second Vice President Hansen said that as we are looking for the Washington Elementary School site to reopen, one of the ideas he has heard from the community is that they would love to see either an Art curriculum focus or an Arts enrichment focus. The downtown location is perfectly situated to partner with so many of our other Arts community partners. This would make it a strong program and draw for students and parents.

President Woo thanked Dr. Taylor and Ms. Carrick for their presentation.

14.0 ADJOURNMENT

President Woo asked for a motion to adjourn the meeting; a motion was made by student member Asami Saito and seconded by Vice President Christina Pritchett. The motion was passed unanimously, and the meeting was adjourned at 10:25 p.m.
