Board Bylaws

The Governing Board has the power of establishing its own procedures within the parameters of law. (Education Code 35010)

The formulation and adoption of written Board policies shall constitute the basic method by which the Board shall exercise its leadership in the governance of the school district. This right shall be retained solely by the Board.

The implementation of policies is an administrative task to be performed by the Superintendent or designee who shall be held responsible for the effective administration and supervision of the entire school system. The Superintendent will establish administrative regulations for this purpose.

All actions of the Board shall be taken only in official Board meetings called, scheduled and conducted according to these bylaws and the statutes of the state.
