**Background/Rationale:** Education Code Section 42603 allows the District to engage in internal borrowings between any fund. This option may be used in addition to the issuance of a TRAN. Moneys may be temporarily transferred to another fund for payment of obligations. The transferred amounts shall not be available for appropriation or considered income to the borrowing fund and shall be repaid in the same fiscal year or in the following fiscal year if the transfer occurs within the final 120 calendar days of the fiscal year. Borrowing shall occur only when the receiving fund will earn sufficient income in the current fiscal year to repay the amount transferred, and no more than 75 percent of the maximum of moneys held in any fund during a current fiscal year may be transferred.
