Urgent Care

Inside your Home Region Service Area

If you think you may need Urgent Care, call the appropriate appointment or advice nurse telephone number at a Plan Facility.

Out-of-Area Urgent Care

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non-

Follow-up (non-urgent) mental health care or substance use disorder treatment appointment with a practitioner other than a physician, for those undergoing a course of treatment for an ongoing mental health or substance use disorder condition: within 10 business days

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. Except as specified above for mental health care and substance use disorder treatment, the standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

DMHC developed the following standards for answering telephone questions:

For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, seven days a week.

For general questions: within 10 minutes during normal business hours.

Interpreter Services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information about the interpreter services we offer, please call Member Services.

Continuation of Membership

Continuation of group coverage

You may be able to continue your group coverage for a limited time after you would otherwise lose eligibility, if required by law, under COBRA or Cal-COBRA. Refer to the EOC for more information.

If at any time you become entitled to continuation of group coverage such as Cal-COBRA, please examine your coverage options carefully before declining this coverage. Under the Affordable Care Act, individual plan coverage is available without medical review. However, the individual plan premiums and coverage are different from the premiums and coverage under your group plan.

If you are called to active duty in the uniformed services, you may be able to continue your coverage for a limited time after you would otherwise lose eligibility, if required by the Uniformed Services Employment and Reemployment Rights Act (

Dispute Resolution and Binding Arbitration

Member Services representatives can help you with unresolved issues at our Plan Facilities or by phone at **1-800-464-4000** (TTY users call **711**). They can also help you file a grievance orally or in writing. You can also submit a grievance electronically at kp.org. You must submit your grievance within 180 days of the date of the incident.

Independent medical review is available if you believe that we improperly denied, modified, or delayed Services or payment of Services, and that either (1) our denial was based on a finding that the Services are not Medically Necessary, or (2) for life-threatening or seriously debilitating conditions, the requested treatment was denied as experimental or investigational. Also, if you should file a grievance and you later need help with it because your grievance is an emergency, it hasn't been resolved to your satisfaction, or it's unresolved after 30 days, you may call the California Department of Managed Health Care toll free at **1-888-466-2219** and a TDD line (**1-877-688-9891**) for the hearing and speech impaired for assistance.

Except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law, any dispute between Members, their heirs, or associated parties (on the one hand) and Health Plan, its health care providers, or other associated parties (on the other hand) for alleged violation of any duty arising from your Health Plan membership, must be decided through binding arbitration. This includes claims for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, regardless of legal theory. Both sides give up all rights to a jury or court trial, and both sides are responsible for certain costs associated with binding arbitration.

This is a brief summary of dispute resolution options. Refer to the EOC for more information, including the complete arbitration provision.

Renewal Provisions

Your group is responsible for informing you when its contract with Kaiser Permanente is changed or terminated. The contract generally changes each year, or sooner if required by law.

Principal Exclusions, Limitations, and Reductions of Benefits

Exclusions

The following are the principal exclusions from coverage. See the EOC for the complete list, including details and any exceptions to the exclusions. These exclusions or limitations do not apply to Services that are Medically Necessary

Plan Facility, complete or partial destruction of facilities, and labor disputes. Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest emergency department as described under "Emergency Services " in the "How to obtain care" section and we will provide coverage as described in that section.

Reductions

If you obtain a judgment or settlement from or on behalf of another party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. Note: This "Reductions" section does not affect your obligation to pay your Cost Share for these Services. Alternatively, we may file a subrogation claim on our own behalf against the other party. In addition to these other party liability claims by Kaiser Permanente, the contracts between Kaiser Permanente and some providers may allow these providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and the fees the provider charges to the general public for the Services you received.

Refer to the EOC for additional information and other reductions (for example, surrogacy arrangements and workers'
