Comment or Question:

I am a SCUSD parent. I just want to know when 2023/24 school calendar will be provided to parents and students. We are now in May. It is not acceptable that next school calendar is not yet available. Parents, students, teachers and SCUSD staff need to know next year calendar to plan their activities and programs. At the minimum, we need to know when will be the first day of school next school year.

Both Elk Grove and San Juan have published their 2023/24 school calendars.

Hey, my name is Onita stauch. I am a single mother and the mother to Noah stauch and halo walker whom attend Theodore Judah. Washington elementary in Sacramento ca is their home school but has been full for placement lately. I've been on the waitlist for a year and I'm hoping that you or someone can help me get a spot for 5th grade and 6th for the new school year. My children has missed so many days at the school across town because I do not own a vehicle and if I happen to miss the school bus, they unfortunately have to miss that school day. Their home school Washington elementary is in walking distance and they will be able to go to school every day if they are able to attend. I need those spots, 5th and 6th grade for the new school year please! My number is [REDACTED] Please call me or email me at [REDACTED]
