Sacramento City Unified School District
Board of Education Meeting

November 4, 2021 Public Comments

Name: Katie Sinetos

Comment My name is Katie Sinetos, I have been a parent of Sacramento City Unified School District since 2017. This is the first time I am reaching out, as it is the first time that I have questioned the reasonableness of the school board's decisions. This is also the first time that I have questioned administering a recommended vaccine to my child. With that

VAERS shows that approximately 1 in 25,000 children are experiencing severe adverse events from the COVID 19 “vaccine”, including paralysis, Myocarditis, and death. This is the four times higher than the number of children that die from COVID. The CDC
