I. OVERVIEW / HISTORY

The Sacramento City Unified District continues to be identified by the California Department of Education (CDE) as a District with Significant Disproportionality.

Significant Disproportionality is the identification of disproportionality for three consecutive years in the same indicator and category of disproportionality. Disproportionality is the overrepresentation of a specific race or ethnicity identified in one or more of four areas: identification of a disability in general; id

Under the Federal Individuals with Disabilities Education Act (IDEA) requirements, if a local educational agency (LEA) is identified as significantly disproportionate, the LEA must reserve 15 percent of its 611 and 619 IDEA grant funds to provide Comprehensive Coordinated Early Intervening Services (CCEIS) to students in the LEA. These services are for children from age 3 schools, and what action needs to be taken to address disproportionality. This is called the Programmatic Improvement Process.
