

Comments from Nikki Milevsky, First Vice-President of the Sacramento City Teachers Association (SCTA) to the Sacramento City Unified School District Board of Education, March 18, 2021.

Agenda item# 9.1

Good evening Members of the Board,

It is simply unheard of to see a district self-certify its budget as Negative when its projected budgets show its ending fund balance in the 3rd year out to be 52 million dollars (almost 4 times what is required by law.)

[REDACTED]

your approval, signs a document that testifies that “I certify that based upon the current projections this district will be unable to meet its financial obligations for the remainder of this current fiscal year or for the subsequent fiscal year.”

Did you know that the district has already paid over \$625,000 to SCOE Fiscal Services/Terri Ryland, Fortson Consulting and Jacquie Canfield since January 2019 due to Negative Certification?

You said Terri Ryland and Jacquie Canfield over \$190,000 for the first 6 months of

this year alone. For what? For them to help your staff present a First Interim Budget

Attached you will find:
