Public Comment:

Ralph Merletti commented on Items 9.1e and 9.1f. He recommended that C. K. McClatchy High School students and those accompanying them on the debate tournament field trip make sure to look out the windows during the flight from Sacramento to Spokane. The area is rather deserted, but they will pass over part of the Great Basin and the Columbia Basin to the North. Regarding Item 9.1f, minutes of the November 20, 2014 Board meeting, it was mentioned that Mr. Merletti was in the process of gathering reports and photos from Earl Warren Elementary School, Sutter Middle School, and George Washington Carver High School. However, he does not have anything further to report at present. A collage of the solar eclipse and report was provided to the Board. The eclipse reported on was his 27th solar eclipse since 1954.
