Facilities Master Plan Update

October 7, 2021

I. OVERVIEW / HISTORY

The District issued a Request for Proposal on February 15, 2019. After a competitive selection process, DLR Group was selected as the planning team most qualified to perform the work. On June 20, 2019, The Board approved a contract with the DLR Group (DLR) to prepare the District's 5-year Facilities Master Plan (FMP). The District's FMP is defined as a collection of data that serves as a basis for planning future facility improvements, providing a rationale to the school community and public for the use of capital project funds and facility initiatives. DLR was asked to assess all District sites in the areas of energy, HVAC systems, technology, security, and educational adequacy. These assessments form the basis for the Facilities Condition Index (FCI). DLR was also asked to prepare an equity index and project priority methodology, to help prioritize capital improvement projects. t
