Your Health Plan

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Sutter Health Plus at 1-855-315-5800 or visit sutterhealthplus.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment (copay),

deductible, provider, or other underlined terms, see the Glossary of Health Coverage and Medical Terms. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-855-315-5800 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0 individual / \$0 individual family member / \$0 family per calendar year.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your <u>deductible</u> ?	Yes. There is no <u>deductible</u> for covered services.	You don't have to meet <u>deductibles</u> for covered items and services. But a <u>copayment</u> (copay) or <u>coinsurance</u> may apply. This <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$1,000 individual / \$1,000 individual family member / \$2,000 family per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , health care this <u>plan</u> doesn't cover and <u>cost sharing</u> for most optional benefits if elected by your employer group.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.sutterhealthplus.org/provider- search or call 1-855-315-5800 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .
