SAMPLE HAZARDS:

Occasional contact with dissatisfied or abusive individuals; exposure to dust when equipment is installed or moved.

PROMOTIONAL CRITERIA FROM NETWORK SPECIALIST I TO II:

This series is differentiated from other classifications in the district in that there is an automatic progression from the Network Specialist I to the II level based upon employee performance and meeting the requirements for the higher level.

Promotion to the next level in this series is contingent on two factors. First, the permanent employee must possess the minimum experience, education, and certification of the next level. Second, the permanent employee must have had at least two performance evaluations with an "above average" or better rating within the current Network Specialist level. As soon as an employee meets these two criteria, the employee will have demonstrated increased value to the district and an ability to accomplish tasks that are more difficult. At that time, the employee will be
