V. User Responsibilities

A. Cardholder Responsibilities

While full liability rests with the District for immediate payment, the cardholder assigned to each card is responsible for all purchases. Intentional misuse/abuse of the Cal-Card may result in immediate revocation of privileges. Cardholders may also be financially liable for unauthorized purchases. **The Cardholder is the sole authorized user of the card. Other individuals may not use the card.**

1. Complete and sign the Cal-Card Application Form and agree to comply with the policies and procedures set forth by the program.
2. Security and safekeeping of the physical Cal-Card, account number and expiration date. Cardholders alone are the only authorized users of their Cal-Card and should make every effort to ensure suppliers do not have their credit card on file for security reasons. Some websites encourage or prompt cardholders to save credit card information in their profiles for ease of use. Cardholders should opt not to utilize this function to minimize potential fraud risk in an event that the vendors systems are breached or compromised.
3. Card activation with the issuing bank
4. Appropriate use of the card and compliance with all Cal-Card policies and procedures including:
 - (a) Reviewing Cal-Card Program Policy Manual
 - (b) Reviewing appropriateness and allowability of purchases
 - (c) Ensuring availability of funds prior to executing transactions
 - (d) Complying with all restrictions, prohibitions listed in sections III and IV.
 - (e) Reviewing each transaction for validity, assigning the appropriate budget string, and attaching detailed itemized

Upon approval of application, the Program Administrator will order the Cal-Card from U.S. Bank9 (.136 0 Td(from)TpTw 3.d(U.S(d)TJ0 Tc 0 Tw 1.948 0T

The cardholder is the only person entitled to use the card and the card must not be used for personal purchases. Each card is permanently linked to an individual employee, as such; the card may transfer with the cardholder to a new location. The individual card may not be transferred from one employee to another.

1. The transaction amount exceeds set limit
2. The transaction amount exceeds the remaining balance of total monthly spending limit.
3. The Merchant Category Code (MCC) is restricted. Transactions outside the established parameters will automatically be declined at the point of sale.
4. The card has expired
5. The card has been suspended or terminated due to non-compliance.
6. The cardholder or merchant transposed the card account number, entered an incorrect expiration date, cvv number, or billing address.

Cardholders may contact the Program Administrator to determine the reason a purchase was declined at the point of sale. These mechanisms for declining purchases are meant to protect the cardholder, and the District.

VIII. Exceptions to Spending Limits

On occasion, cardholders may need a temporary change of the single purchase limit or monthly credit limit from the original pre-authorized limits. All requests for changes in credit limits must be in writing using the Limit Increase and Exception Request Form and be approved by the Approving Official, Director of Accounting, and Chief Business & Operations Officer. Once the appropriate and authorized approvals are obtained, the request is submitted Program Administrator for processing.

IX. Cardholder Account Maintenance

A. Card Renewal

New cards are automatically reissued to all active cardholders in good standing. The card expires on the last calendar day of the month listed on the card. Cal-Cards are good for a four-year period. A renewal Cal-Card is mailed directly to the Program Administrator, who will contact the cardholder and coordinate arrangements for pick up by the cardholder. The cardholder is required to turn in the expired card prior to receiving the new card. New cards will only be issued to cardholders who are

current with the procedures established by the District.

B. Department/Location Changes

Location changes and other changes should be reported to the Program Administrator as soon as changes are known. This ensures the bank information is updated and statements can be mailed to the cardholder's new location.

C. Termination/Cancelation of Card

A card may be terminated or canceled when:

The cardholder is no longer in an approved cardholder position

The cardholder is no longer employed at the time of the cardholder's termination.
